Pastor's House
Parish School
Woodworking Shop
Community Building

Auction

Join us July 11th, between services for an Auction of authentic Sudanese and Tanzanian goods and other handmade items.

In Africa, where money is scarce, people bring items from their home to auction off at the conclusion of worship. The money is then applied to their tithe.

This Sunday we have an auction that will benefit our mutual ministries with brothers and sisters in Tanzania and Sudan.

Auctioneer: Ike Gaa
